Facials

Renew Signature Facial Renew, relax and rejuvenate your skin with this customized facial that includes cleanser, masque, and moisturizer that is specific for your skin type. This relaxing and rejuvenating facial will leave your skin glowing. \$65

Age Rewind Facial Renew's most popular! Indulge in a facial that deeply infuses skin with an anti-aging cocktail of Vitamin C and firming complex cosmeceuticals. Designed to lighten, brighten, tighten, and plump! Your skin will be more resilient, radiant and renewed. \$70

Acne Clearing Facial It is highly recommended for congested or acne prone skin to improve clarity, color, and texture while fighting current blemishes. Designed to deeply cleanse, exfoliate, and purify oily to combination skin types. Extractions included if needed. \$75

Lightplex Pigment Balancing Facial If evening out your skin tone and reducing dark spots is a priority, this is the facial for you. Our professional strength lightplex pigment balancing serum is penetrated deep into your skin where dark spots are formed leaving your skin with a lighter, brighter, and even skin tone. \$70

Oxygenation Facial Breathe new life into your complexion with this high performance cosmeceutical treatment that penetrates active ingredients of oxygen molecules deep into your skin. This treatment is perfect for skin that is sluggish, clogged, or prematurely aging. The immediate, visible benefits include softer, smoother skin that feels cleaner and fresher than ever. \$65

Peels

Glycolic Power Peel Pharmaceutical grade glycolic peel is excellent for improving skin tone, texture and wrinkles by removing the skin's damaged outer layers without the irritation. \$80

Lactic Plus Peel This advanced, ultimate-strength peel contains organic lactic acid, enhanced with pumpkin fruit, and pomegranate to provide a powerful surface peel. It stimulates cell turnover, restoring elasticity, and promoting skin regeneration. \$80

Alphablend Maximum Peel This professional peel utilizes an exclusive blend of fruit acids to exfoliate dulling surface cells, refine skin texture, and reduce the appearance of sun damage. Also, minimizing pore size and reducing clogged pores, leaving your skin looking vibrant, soft and smooth. \$80

Manual Microderm Pumice Peel The ultra-fine pumice crystals in this machine-less microderm treatment peel away dull cells, abrade uneven skin and visibly reduce the appearance of fine lines and wrinkles. Achieve the effects of microderm without the machine. \$80

Treatments

Microdermabrasion is a popular non-invasive exfoliating procedure of the face or body aimed to revitalize the skin's appearance and smoothness. Initially, five sessions at two weekly intervals are recommended for best results followed by maintenance treatments three to four times a year. (Great for anti-aging and acne!)

Botox Cosmetic Smooth away those wrinkles on forehead and around eyes with these injections. \$9 to \$11/unit.

Juvederm Plump up those wrinkles in the laugh lines or lips. \$485/syringe.

Photorejuvenation / IPL Rejuvenate your skin with intense pulsed light (IPL) and begin to erase the effects of sun damage, and aging. This technology can reduce or eliminate brown spots, redness, and broken capillaries. It also causes skin tightening by stimulating collagen production in your skin. (Great for Rosacea sufferers!)

Spider Vein Treatments This will help you rid yourself of unwanted veins and capillaries with injections and laser treatments. \$250/30 Minute session.

Permanent Laser Hair Removal Imagine not having to shave, or worry about unwanted hair or painful electrolysis needles. Four to six treatments are usually required one to two months apart. Get one treatment free with any package.
